

**FOR IMMEDIATE RELEASE**

After close consideration with our partners, we've made the difficult decision to postpone The Carolina Fashion Awards until a later date yet to be determined. Due to Covid-19 and mandatory stay at home orders, our planning process for the event has been impacted. We are genuinely upset and disappointed not to be able to host you at this time as we spent the past year preparing for the show with our advisory boards, speakers, exhibitors and event partners.

It is important to us that we express our gratitude and appreciation to all our nominees and partners for their continuous support, open discussions and encouragement. As everyone has been reminding us, great things happen when the fashion community comes together and connects with CFA. For this reason, we fully intend to postpone **Voting for Nominees until June 1st, 2020**. We will be working with our partners to finalize the details and will share more information about our plans in the coming weeks.

Again, we appreciate your continuous support and cooperation and we shall get through this together as a community!
